

THE RITZ LONDON

FROM THE GARDENS OF HIGHGROVE TO THE GUESTROOMS AT THE RITZ

Issued November 1st, 2009.

Fresh and fragrant from the gardens of Highgrove, a new collection of bathroom amenities has been launched at The Ritz London. Produced exclusively for The Ritz, the Highgrove Guest Collection products are naturally formulated using plant oils and herbal extracts selected for their specific properties. The Gardens at Highgrove, created by HRH The Prince of Wales, demonstrate the ideals and principles that His Royal Highness so passionately believes in. Herb extracts, such as hawthorn, rosemary, thyme and cornflower are found in abundance throughout the gardens, while the orange and jasmine notes in The Ritz fragrances are from the Carpet Garden.

The Highgrove Guest Collection for The Ritz, all in recyclable packaging, includes the following bathroom amenities:

- . Foaming Bath and Shower Gel with Cornflower and Willowherb
- . Moisturising Body Lotion with Willowherb and Rosemary
- . Gently Cleansing Shampoo with Hawthorn and Marigold
- . Nourishing Hair Conditioner with Wheatgerm Oil and Cornflower
- . Triple Milled Vegetable Based Soaps with Skin Conditioner

This luxurious collection is now featured in all Ritz rooms and suites and will shortly be available for sale from the Ritz online gift shop, and from the Hotel Reception desk.
